

Non - Life Insurance Project

AIM: To project number of Covid cases and number of deaths for Mumbai as on March 21, 2021

Coverage: Expected to cover following aspects along with the submission.

1. Data used along with the source of the data (a link to the site)
2. Methodology and assumptions, if any, used in projecting
3. Scenarios like night curfew, partial lockdown, complete lockdown, etc.
4. Conclusion and results

Submission has to be made by team by April 17, 2021 and can be made in excel along with word/pdf/ppt to explain the methodology, if needed.

While Submitting please mention the team name and the name of person who did contribute to the project

Team 1:

Animish
Darshan
Drashti
Harshida
Jas
Jash poonatar
Juilee
Madeeha
Mansi
Priyanshu
Samyak

Team 3:

Ansh Jain
Gunavanth Mahendra
Ishika Shah
Jash Dattani
Palak Nagdev
Paraj Shah
Pranavi Shah
Rachita Moondra
Rohil Goyal
Sahil Shah
Shailja Bhandhari

Team 2:

Aarushi
Abhinav Iyer
Ajay
Aliya
Devansh
Kshitij
Nikhil
Rishika
Sabyasachi
Sahil Minocha

Team 4:

Abhinav Sharma
Aryan singh
Dixit Jain
Simran
Triksit
Tushar
Veetrag
Shriya
Sayali
Sannidhya
